to Eighth street, the entire line of march, and many of the houses were gayly festomed with flags and bunting.

President Claveland, with Secretaries Whitney and Endicott and Postmaster General Vilas, reviewed the procession from a stand in front of the Worth Momment. The Parade consisted of the finest that has occurred since 1876. Florists estimate that fully \$100,000 was spent in this city to-day in decorating the graves of

In the gotter special and who belows the following two rules, in substance, were adopted in accordance with their views of civil service reform:

Civil Service Commissioner Griggory and the believed the cause was just and he wanted to help it. Dr. Gregory wants to add that he is sorry for having felt that way about it. Here is where the pride of manhood comes in and distinguishes the "offensive partisan" from the rest of manhood. They are considered and distinguishes the "offensive partisan" from the rest of manhood. They are considered and distinguishes the "offensive partisan" from the rest of manhood. They are considered and distinguishes the "offensive partisan" from the rest of manhood. They are considered and distinguishes the "offensive partisan" from the rest of manhood. They are considered and distinguishes the "offensive partisan" from the rest of manhood. They are considered official, that such nomination will not be confirmed.

The shocked the removal of all memorate on the alleged ground of offensive partisan in his place, that such nomination will not be confirmed.

Second—That in case of the removal of all empty clerk, on a chair in a sitting position, with a frightful gash in his throat, as well as a crushed skull. The above day clerk managed to get to the street and find an officer. On the alleged ground of offensive partisan in his place, that such nomination will not be confirmed.

Second—That in eace of the removal of a Democratic partisan who causes the removal of an efficient Republican and Treceives as his removal of an efficient and over the removal of an efficient removal of an efficien and efficient continuous and efficient receives as his reward the momination will not be confirmed. They are looking for Dr. Gregory's scalp.

General Additional Jonadas Warner has in "whathe is pleased to call his mind," another scheme to make silver popular. He will offer a bill providing for the issue of one and two dollar silver certificates, while the mint goes on grinding out its grist of two millions a month of daddy dollars which nobody wants. The millions of silver dollars piled up in the Treasury ought to be protest enough bat there is no demand. The millions of silver dollars piled up in the Treasury ought to be protest enough bat there is no demand. The make the mint goes on making. The millions of silver dollars piled up in the Treasury ought to be protest enough bat there is no demand. The make the mint goes on making the momination will not be confirmed in the accordance of the clark the sent the momination of the wounds and the discovery by Mr. Crawford who soon arrived that \$50 or \$40 that had been suggested but an examination of the wounds and the discovery by Mr. Crawford who soon arrived that \$50 or \$40 that had been suggested. The reasons assigned for the adoption of these rules are understood to be in the skeen two accordances. The postle which was found fitted well into the dollar silver certificates, while the mint goes on grinding out its grist of two millions at month of daddy dollars which nobody wants. The millions of silver dollars piled up in the Treasury ought to be protest enough but the mint goes on making.

DECRITPUL De MOCIES who was a constant to contain the store on Saturday was missing, satisfied the authorities of a brutal minter. The coroner sexamination of the deciple and the desorption the skun it are examination of the deciple and the desorption the skun it are examination of the deciple arrived that \$50 or \$50 that had been suggested in the adoption of the scale of the skull crushed and the throat containt the active that the health and the discovery by Mr. Crawford t the skull crushed and the throat cut directly above the thyroid cartilage, with various other gashes and fractures. The pestle which was found fitted well into the depressions in the skull and seemed to have been the weapon with which the blows were struck. No sharp edged instrument that might have been used to cut the throat could be found, nor were there any signs of a struggle. It appears that the blows on the head had been dealt from behind and the throat was out after the elerk had sunk in his chair. The bed

A THRILLING RIDE

No. 6, which left Kansas City last night was due here at 2:50 p. w. There was difficulty in starting out No. 1 as directed in the dispatch and it was decided to meet the train at the depot. Officers Casey, Ryan, Murphy, Rowan, Walsh, Streaming, Donney, Barrett and Keenan in uniform, and Smith, Terry, Amstein, O'Brien and Eaughlin in citizens' clothes, under the command off. T. Laugh made up the squad which arrived at the depot ten minutes before the train was due. The train being delayed, as was subsequently learned, by ineffectual efforts to capture the lunatic, the police were forced to wait more tic, the police were forced to wait mor than an hour. After considerable and ious speculation as to the condition of things on board No. 6, the officers were finally anything but reassured by a dis-patch from a suburban station warning

them that the maniac was well armed an

wonld resist.

trom behind and the throat was out after the clerk had sunk in his chair. The bed had been prepared for retiring, and the man was still entirely dressed when founds. As yet the police have no clue. Hands was unusually popular, and was not known to have an enemy.

IN THE WARMAN NO WALLEY.

Archie Gibson was hanged at Richmond, Texas, for the murder of his wife.
